

Memorial News

Memorial Hospital of Lafayette County

From Sherry's Desk ~

May was a sad month for the employees and all who are associated with MHLC. Cathy Lee, LPN, passed away on May 23rd after a short illness. Cathy had worked at MHLC since 1974. Cathy was a very dedicated nurse whose patients and their well being always came first. The staff is in the process of developing a permanent memorial to Cathy. She will be sadly missed by all.

June is Relay For Life month. Please partici-

pate in some way to celebrate the lives of cancer survivors and remember those that we have lost.

MHLC has a new hospital board due to the recent county supervisor elections. John Bartels is our new chairman of our board. The members are Gerald Heimann, Carol Korn, Bob Boyle, Wayne Wilson, and Dr. Bernardoni. Once again we are blessed with a very supportive and

caring board.

Summer weather has arrived quickly and I for one am enjoying it immensely – even the lawn mowing. Although I do enjoy putzing in my flower beds a whole lot more. Enjoy the month of June and all of the fun activities it brings.

Relay set for June 19-20...

Make sure to mark your calendars for the Lafayette County Relay For Life, June 19-20. Survivor stories followed by their first lap will begin at 6 p.m. There will be

a cake auction, a memory garden, luminary lighting, kids activities and most of all walking on the track for 24 hours. A spiritual service will also be held on

Sunday morning. Memorial Hospital's team will be "Wishing for a Cure". For more info on how you can support the Relay For Life, please call 776-5731.

Club Scrub Graduates...

In late April, Club Scrub students got their chance to try out two different careers. Dale Cwynar, Respiratory Therapist, displayed new intubation equipment and let the students try on gear used to protect you from airborne illnesses. Sara Mathys, Radiologic Technologist and Michelle Hauser, PA, showed interesting x-rays as

well as actually putting a cast on some students.

And just recently on May 20th, the Club Scrub students joined us for the last session to try their hands as nurses. Terri Vieth, Rhonda Roelli and Patty Hardyman, all RN's, taught the students how to give an injection, the importance of hand washing

and how to check their blood sugar. 22 students were also presented a goody bag and a certificate of completion of the five month course. We congratulate and thank all the Club Scrub participants and their instructors for making our first program a great one! They may be our future healthcare workers. Great Job!

New Program sponsored by MHLC PT~

Recent research shows that female athletes are more prone to injuries due to their body make up, and because of this the Memorial Hospital of Lafayette County (MHLC) Physical Therapy department wanted to expand their education to students after seeing many young female athletes with sports injuries.

They are now sponsoring a new *Sports Training and Injury Prevention Program* to be held in early June. "This program is a low cost option for young athletes to learn more about strength training and minimizing their risk for injuries during any sport," claims MHLC Physical Therapist Jodi Christopher.

"The great thing about this program is that participants can perform all exercises at home and use normal household materials along with equipment that will be provided. It is a short pro-

gram that will lead to a lifetime of knowledge", Christopher adds. This program is open to any female athlete from any school district, grades 7

through 12 and will prepare them for upcoming competitive sports. A pre-test of upper and lower extremity strength, balance, agility and jumping ability will be held on Monday June 14th. On June 16th and 18th, they

will instruct students on the proper form and technique they will need to perform the training program they will complete at home over the next 5 weeks.

Athletes will be given thorough written instructions and photos of how to perform the program. For follow up, on Monday August 2nd a post test will be per-

formed to determine the athlete's improvements. All sessions are held from 9-11:15 a.m. at the Darlington High School gymnasium.

Christopher also explains "our instructors Jill Thein-Nissenbaum-Physical Therapist and Stephanie Housh-Strengh & Conditioning Coach, are top notch and are currently working with UW Madison Badger athletes. This will be a great experience for any young athlete." Registration is limited and the

program fee is \$40. All High School and Middle School coaches are invited to attend any or all of the sessions free of charge. For more information or to register, please call the MHLC Rehab Department at 608-776-5744 or visit us at memorialhospitaloflafayettecounty.org to download a brochure.

Wicked Tickets...

The Memorial Healthcare Foundation still has tickets available for the Broadway show "Wicked", Saturday October 9th. Upper Orchestra seating in Overture Hall and roundtrip coach bus fare is included with your ticket, with buses leaving the Darlington Elementary Middle

School at 9 am. This will give you time to shop or eat on Madison's State Street before the 2 p.m. show. Buses will depart from Madison immediately following the show. Tickets are \$125 each and are on

sale at Sisters, downtown Darlington. Payment is due upon reservation, cash or checks are accepted. For more information please call Kathy Brecklin at 776-8722 or Kris Roelli at 776-5731.

10 years of golfing for a cause...

The Memorial Hospital Auxiliary is in the midst of organizing our 10th Annual Golf Classic fund-raiser to benefit Memorial Hospital of Lafayette County. All proceeds will be used for projects geared toward patient, visitor and staff comforts. We are currently helping to update equipment in the Dialysis Department and furniture throughout the patient and visitor areas.

We are asking for your support. Please spread the word among family, friends, and colleagues

to participate in this exciting event. To make this event a success, we are in need of hole sponsors and auction items. Any donation would be greatly appreciated.

Our 10th Annual Golf Classic is planned for Friday July 23, 2010. Two person best ball from 12-6 p.m. will include a \$10,000.00 Hole-in-One prize! For available tee times, please call the Darlington Country Club at 608-776-3377. Lunch and dinner will be available, as well

as a silent & live auction, live music by "Sunshine" and a raffle to take the chance on some great prizes this year. A short program will also be held to announce winners of golf and flag prizes.

If you wish to sponsor a hole, help sponsor the band, donate an item to the auctions or raffle, or to make a monetary donation, please complete the above form or feel free to contact Kathy Ruef at 608-776-5718, Jody Tuescher at 608-776-5781 or Lorri Cwynar at 608-776-3998 for more information.
