

# Employee Excellence

This month's Champion Employee of Excellence is Amie O'Brien. What Amie loves the most about MHLC is all of her amazing coworkers. It makes it easy

to come into work every day and be at my "second" home. Amie works in our Finance Department.

Her coworkers state that Amie is great to work with. She is great at making sure things are accurate and she is very punctual while still having a fun sense of humor with it all. She is the most dependable person. She goes above and beyond to get her work done, is very detailed, and we never have to worry about following up with her. She takes her work seriously, and is our go-to when we need another set of eyes or ears. At work and outside of work, you can count on her; she

has a big heart and will overcome anything that gets thrown at her. Amie is very knowledgeable and pleasant to work with. She always has a way to make "work" fun and enjoyable.

Thank you Amie for being such a great coworker for us and our patients.

We are lucky to have you as part of our team of Champions.
