

Employee Excellence

This month's Champion Employee of Excellence is Ashley Holland. What Ashley loves the most about MHLC is how family orientated it is. Ashley

enjoys everyone she works with and everyone she is able to help take care of. It truly is a great place to work!

Ashley is a CNA/HUC for Med Surg and Emergency Department. In that role, she coordinates admission, discharge, pre-procedure, post-procedure, and transfer. Assist with unit-phone management, order entry, and coordinating the flow of information into the electronic health record. Ashley gives 110% every day. She is more than willing to help out with whatever is needed. She anticipates patient needs and is one step ahead of the nurse. She makes the

MHLC patient care team run very smoothly. Ashley's positivity is contagious and can uplift the atmosphere around her. Working with Ashley is always a pleasure. She always has a big smile on her face to greet her patients and coworkers. She knows all areas of her job well and knows how to get the job done efficiently. Ashley is always very willing to help her coworkers when needed. No matter how busy the shift is...it is always a good shift when working with Ashley!!! Thank you Ashley for being such a great coworker for us and our patients. We are lucky to have you as part of our team of Champions.
