

Employee Excellence

This month's Champion Employee of Excellence is Danielle Tollakson. Danielle loves being part of something larger than her, something that

makes a difference. MHLC has had the pleasure of Danielle being part of our team for six years. "Every day is different, but the experience and knowledge of many of coworkers makes this a great place to work. We truly are a family at MHLC and I am proud to be part of it." Says Danielle. Several of Danielle's coworkers expressed how amazing Danielle does in her current role as CNA/HUC. Danielle plays an important part during trauma codes, has been noted by many to handle stressful situations very calmly and swiftly.

During the spring of 2020, Danielle offered to assist the housekeeping department to help with the additional cleaning requirements of the pandemic. Her willingness to help wherever she is needed and her high work ethic are why Danielle is our August Employee of Excellence. We are proud to have her on our team of Champions.
