

Employee Excellence

This month's Champion Employee of Excellence is Jenna Wedig. Jenna has worked at MHLC for about 5 years, started as a CNA while going to nursing school, through the years my coworkers have become extended family to me, which, for me is what makes MHLC so special. Currently I work within the Specialty Clinic with various different providers and enjoy the different

patient populations I get to work within the clinic setting.

Her coworkers state Jenna is one of the best nurses they have had the pleasure to work with. She is an asset to patients and providers at MHLC. She is caring, compassionate, and always goes above and beyond so our patients get the care they deserve. Jenna is a leader within the specialty clinic. She has strong clinical skills and her knowledge in the department makes her a great resource to her coworkers. She goes above and

beyond for patients, including following up and working extra to make sure all their needs are met.

Thank you Jenna for being such a great coworker for us and our patients. We are lucky to have you as part of our team of Champions.
