

Employee Excellence

Pam Hardt loves working at MHLC, she feels blessed to work with such amazing employees. She feels like we are truly a family and it shows with the care and compassion we provide to our patients. She loves

learning new things and working at MHLC has given her the opportunity to work with several different departments. She looks forward to growing with MHLC and is excited to see what the future holds.

One of her coworker's states that she couldn't ask to work with a better person. Pam is always willing to help no matter what department she is communicating with. You will never hear Pam say, I don't know; but you will hear her say, I'm not sure, let me

look into it and I will get back to you. She is thorough, efficient, full of knowledge, and always willing to go that extra mile, above and beyond.

She is my "go to girl" when needed.

MHLC is very lucky to have her on board.
